New Patient Consent to Use and Disclosure of Health Information
For Treatment, Payment, or Healthcare Operations

I, Davis Clement, understand that as part of my health care, Non-Surgical Orthopedics of New Jersey originates and maintains paper and/or electronic records describing my health history, symptoms, examination and test results, diagnoses, treatment, and any plans for future care or treatment. I understand that this information serves as:

- A basis for planning my care and treatment,
- A means of communication among the many health professionals who contribute to my care,
- A source of information for applying my diagnosis and surgical information to my bill,
- A means by which a third-party payer can verify that services billed were actually provided, and
- A tool for routine healthcare operations such as assessing quality and reviewing the competence of healthcare professionals.

I understand and have been provided with a *Notice of Information Practices* that provides a more complete description of information uses and disclosures. I understand that I have the following rights and privileges:

- The right to review the notice prior to signing this consent,
- The right to object to the use of my health information for directory purposes, and
- The right to request restrictions as to how my health information may be used or discloses to carry out treatment, payment, or health care operations

I understand that Non-Surgical Orthopedics of New Jersey is required to agree to the restrictions requested. I understand that I may revoke this consent in writing, except to the extent that the organization has already taken action in reliance thereon. I also understand that by refusing to sign this consent or revoking this consent, this organization my refuse to treat me as permitted by Section 164.506 of the Code of Federal Regulations.

I further understand that Non-Surgical Orthopedics of New Jersey reserves the right to change their notice and practices and prior to implementation, in accordance with Section 164.520 of the Code of Federal Regulations. Should Non-Surgical Orthopedics of New Jersey change their notice, they will send a copy of any revised notice to the address I've provided (whether US mail or, if I agree, email).

I wish to have the following restrictions to the use or disclosure of my health information:

_____

_____

_____

I understand that as part of this organization's treatment, payment, or health care operations, it may become necessary to disclose my protected health information to another entity, and I consent to such disclosures for these permitted uses, including disclosures via fax.

I fully unde[r]stand this consent.

INFORMATION SHEET AND INFORMED CONSENT

KETAN D VORA DO, PC, I firmly believe that "every human being has the right to determine what shall be done with his own body." During the course of your treatment and evaluation with KETAN D VORA DO, PC, you may be subjected to a number of different types of tests and treatments. It is our responsibility to explain the nature and purpose of these as well as known risks, benefits and alternatives. Listed below is a brief summary.

MRI (Magnetic Resonance Imaging) is an imaging technique, which uses electromagnetic forces, not potentially harmful Radiation. It is generally safe but should not be performed in individuals who have a ***PACEMAKER*** or ***METAL*** in their body from a Previous surgery or injury. **MRI WITH CONTRAST** is performed with intravenous administration of a contrast agent. Allergic Reaction or mild side effects are possible. If you have *known allergies*, please inform your doctor of them. *Claustrophobic* individuals should discuss the possibility of sedation or other alternatives to MRI with the doctor prior to scheduling this test.

BAER (Brainstem Auditory Evoked Response) is an electro diagnostic test, which evaluates the auditory and vestibular System. Delivering a series of "clicks" in each ear performs it. **VER (Visual Evoked Response)** is an electro diagnostic test Which evaluates the visual system. Delivering a series of light flashes performs it.

SSEP (SomatoSensory Evoked Potentials) is an electro diagnostic test which measures the condition of impulses from the arms and/or legs, through the spina· cord to the brain. It requires a small electrical current but is not painful. **NCV (Nerve Conduction Velocity)** is an electro diagnostic test, which measures the condition of impulses in the peripheral nerves of the arms and/or legs.

It requires a slightly stronger electrical impulse than the SSEP, but both the NCV and SSEP are generally safe and well tolerated.

EEG (ElectroEncephatoGram) is an electro diagnostic test, which records the brain's electrical activity. No electrical current is delivered by the machine. This test can be performed either with paste or small needle electrodes. **DOPPLER (carotid/Tran cranial/Arterial Doppler study)** is a test, which uses ultrasound to detect the rate of flow inside blood vessels.

PHYSICAL THERAPY is a treatment program which is individually designed to relieve pain, rehabilitate injured tissue, and Restore function ability. Various modalities may be utilized including message, electrical stimulation, ultrasound, traction etc; the Physical therapist will further explain the treatment plan for you. Physical therapy may result in increased soreness and discomfort Initially since injured tissue is being rehabilitated. This should improve as the healing process occurs. If you are experiencing Significant or ongoing pain, please bring this to the attention of your therapist or doctor.

EMG (Electromyography) is an electro diagnostic test which detects muscle and nerve damage. It requires placement of a Thin needle in various muscles. In general, it is a safe and well-tolerated procedure although thee is a small risk of bleeding, Infection, and damage to adjacent structures. If you have a ***bleeding disorder*** or take ***anticoagulants like Coumadin***, please Bring this to the attention of the doctor.

INJECTION THERAPY consists of administration of local anesthetics (such as Lidocaine) and/or steroids (such as Cortisone). These medications are injected into the appropriate location (such as a joint, trigger point, nerve or epidural space) to relieve pain And promote healing. In general, these procedures are safe and well tolerated although there is a risk of bleeding, infection, and Damage to adjacent structures. Furthermore, potential side effects of a local anesthetics includes dizziness, drowsiness, Allergic reaction, low blood pressure, and slow heart rate. Potential side effects of steroids include retention, ulcers, and increased Blood sugar. These side effects usually occur with long-term administration or over-dosage. Injection therapy is effective since The medication is delivered directly to the injured tissue, lower doses are required, and there are fewer systemic side effects.

MEDICATIONS may be prescribed. All drugs have potential side effects and interactions. Your doctor will discus these with you and if medications are prescribed.

I understand the risks and benefits of the treatment and evaluation protocol, which has been prescribed. If not, they have been further clarified By a KETAN D VORA staff MEMBER. Furthermore, I have read and understood the patient bill of rights and responsibility posted at the reception Desk.

FEE GUARANTEE AGREEMENT FOR MEDICAL PROVIDER NAME HERE

PATIENT: Davis Clement

DATE OF BIRTH: 02/16/1955

TREATMENT DATES: 06/30/2022

ACCIDENT DATE: 06/15/2022

I, the above noted Patient, do hereby authorize and direct my present and any future attorney to honor this fee guarantee agreement. This agreement is made in favor of the above named Medical Provider and shall be termed a "Letter of Protection." The Letter of Protection shall serve to place a continuing lien on any proceeds I recover in any legal action related to the above noted accident date.

Consideration. In consideration of the medical treatment provided and time provided to pay for said medical treatment, I hereby grant a direct lien on any and all funds I may recover in any legal action related to the above accident date.

Protection of Outstanding Charges. The above named Patient hereby agrees that if s/he recovers any money from any person or entity in connection with any legal action related to the above noted accident date, the Patient shall withhold from those funds, sufficient money pay the full outstanding balance of any bill(s) owed to the above named Medical Provider for treatment or any work completed in relation to the above noted accident date. Those funds shall be deducted prior to any other party removing funds for any reason, including but not limited to attorney's fees, costs, other court fees, or any other bill or lien whatsoever. Patient hereby directs their present and/or future attorney to pay said outstanding medical bill in connection with the above noted treatment. This agreement shall obligate each attorney who represents the above named patient in any way and recovers any funds related to the above noted accident date and creates a constructive trust with said attorney. Further, this agreement shall extend pay any outstanding balance for any copies, costs or reports the above named Medical Provider endures in relation to any legal issue for the above accident date. The Patient hereby agrees to waive any rights they have, under contract, law or equity, to have the Medical Provider bill a third party entity, including but not limited to any contracted payer, health insurer or government payer and further desires to pay for the medical treatments through the legal action's proceeds.

Patient Responsibility. It is the Patient's responsibility to advise each and every attorney of the existence of this agreement. Further the Patient must advise the above named Medical Provider at reasonable intervals the status of the legal case. It is also the Patient's responsibility to advise the Medical Provider within 5 days of legal matter collecting any funds and to request a bill for any and all outstanding charges. The Patient hereby directs their present attorney and any future attorney to advise the Medical Provider, as soon as possible, about any funds related to the accident case becoming available to the above named Patient. Further, if the legal action fails to fully pay the Medical Provider's outstanding balance(s) then the remaining amounts are to be paid by the Patient. The Medical Provider may, at his/her discretion at any time, bill any third party payer or government payer.

Disputes. If there is a dispute over the Medical Provider's outstanding charges the Patient agrees to submit the full amount due to the Medical Provider and agrees to bring an action in New Jersey State Court for recovery of the disputed difference. If the Patient fails to pay the Medical Provider's full outstanding balance, and thereafter Medical Provider brings suit to collect said sums, Medical Provider shall then have the right to recover attorney fees and costs for bringing an action to enforce this particular provision.

Approval Required. This agreement becomes effective when the Patient signs the agreement below. This agreement does not need the approval of any present or future attorney for the Patient.

The parties agree that no party shall be considered the drafting party to this contract.

D/A: _____

Dear Sir or Madam:

I hereby authorize the above doctor to furnish you my attorney, with a full report of his examination, diagnosis treatment, prognosis, etc., of myself in regard to the accident in which I was involved.

I hereby authorize and direct you, my attorney, to pay directly to said doctor such sums as may be due and owing him for professional services rendered me both by reason of this accident and by reason of any other bills that are due his office and to withhold such sums from any settlement, judgment or verdict as may be necessary adequately to protect said doctor. I hereby further give a **lien** on my case to said doctor against any and all proceeds of any settlement, judgment or verdict which may be paid to you, my attorney, or myself as the result of the injuries for which I have been treated or injuries in connection therewith.

I fully understand that I am directly and fully responsible to said doctor for all professional bills submitted by him for service rendered me and that this agreement is made solely for said doctor's additional protection and in consideration of his awaiting payment. And I further understand that such payment is not contingent on any settlement, judgment or verdict by which I may eventually recover said fee.

I agree to promptly notify said doctor of any change or addition of attorney(s) used by me in connection with this accident, and I instruct my attorney to do the same and to promptly deliver a copy of this lien to any such substituted or added attorney(s).

Dated: 06/30/2022 Patient's Signature: _____

The undersigned being attorney of record for the above patient does hereby agree to observe all the terms of the above and agrees to withhold such sums from any settlement, judgment or verdict as may be necessary adequately to protect the said doctor named above. Attorney further agrees that in the event this lien is litigated that the prevailing party will be awarded attorney fees and costs.

I hereby consent to honor the terms of the above agreement in its entirety. I further agree to dispense all fees to my client's provider pursuant with R.P.C.1.15 in NJ, and DR9-102 in NY.
